# Gulf Coast Rebuilding

**Habitat for Humanity continues to lead the world in post disaster re-building, and Greater Cleveland Habitat is doing our part...**

- **Groups of volunteers from this affiliate** have helped out on various clean up, repair and house building sites in **Mississippi, Louisiana and Tennessee**
- **Local donations helped** the Dayton, Ohio affiliate to provide an Operation Home Delivery house to **Baton Rouge, Louisiana**
- We provided staging, supervision, and space to frame and pack all of the walls for a home in **Alton, Louisiana** that was paid for and constructed by Ohio realtors as part of **National Association of Realtors** commitment to pay for 27 Operation Home Delivery projects across the country.
- **Local donations made possible** a complete hand and power tool set and lock box for one of several new trucks recently acquired by the **New Orleans Area Habitat** and provided support for Habitat's **East Biloxi Mississippi** Home Repair Program
- We are assisting the local **Texas Roadhouse Restaurants'** Home in a Box project for the **New Orleans Area Habitat**
- We are the host affiliate for Habitat for Humanity's Hurricane Relief national publicity events at the **2007 NCAA Women's Final Four**
